BULLSEYE TELECOM, INC.  
CERTIFICATION  
OF  
COMPLIANCE

I, Scott Loney, Vice President of BullsEye Telecom, Inc. hereby certify that I have personal knowledge that BullsEye has established operating procedures that are adequate to ensure compliance with the Commission's rules governing use and disclosure of confidential proprietary network information ("CPNI"), as governed by 47 C.F.R. 64.2001, *et. seq.* Attached to this certificate is a statement explaining how the operating procedures of BullsEye ensure that it is in compliance with the Commission's CPNI rules.

Scott Loney  
Vice President, Marketing

Dated: February 6, 2006

### **COMPLIANCE STATEMENT**

The operating procedures of BullsEye Telecom, Inc. ("BullsEye" or "Company") ensure that the Company complies with the FCC's rules at 47 C.F.R. § 64.2001, *et. seq.*, governing the use of CPNI. Compliance with the FCC's CPNI rules is ensured by the fact that BullsEye has established an internal policy limiting the use or disclosure of CPNI to very limited circumstances. The Company's policy, administered by the Vice President Marketing and the Vice President Business Operations of BullsEye, establishes the following parameters regarding the use or disclosure of CPNI:

1) BullsEye does not use CPNI to market service offerings among the different categories of service, or even within the same category of service, that it provides to subscribers.

2) BullsEye will not release or disclose CPNI to a third party, unless under exceptional circumstances. Specifically, BullsEye will only release or disclose CPNI to a third party pursuant to a valid request from law enforcement, the federal judiciary or other appropriate authority; or, pursuant to express customer approval. For example, customer information will only be disclosed after the requesting party demonstrates that the request is made pursuant to a valid subpoena, court order, search warrant or national security letter.

3) Through the use of the FCC small entity compliance guide the Company trains employees to recognize CPNI and understand the limitations of use or disclosure set forth under federal law and Company policy.

4) BullsEye maintains a record, for a period of at least one year, of those limited circumstances in which CPNI is disclosed or provided to third parties (pursuant to a valid request from law enforcement, the federal judiciary or other appropriate authority).

5) Violations of this policy may result in disciplinary action, including the termination of employment where appropriate.
